Angela Lyons (IRL)

I think it went better than our last test. I feel like I made more progress and that I'm moving closer to my goals. I love and appreciate the support — this sport is helping me make my dreams come true. The people here are amazing, and it's been a fantastic experience with everyone. The show was fabulous, and I'm really grateful for all the positive energy around me.

Carla Onrubia (ESP)

Today has been really good, and I'm so happy with how everything went. It's been a long time coming, and it feels great. The highlights of today really stood out to me because it's all thanks to the horse. I love this feeling.

Alise Muizniece (LAT)

Today has been so much better than our last test, and I'm feeling great. It's amazing how much progress we've made — I feel more connected and confident. I'm excited to be here in Ermelo for the competition, which is one of the biggest. The atmosphere is incredible, and everyone around is so welcoming. I truly love being here. Thank you so much!

Louise Etzner (SWE)

It was a strong test and a big crowd of people watching, so that's very nice for us. Today he was working with me and I think he was very happy in there, which makes me happy.

Vladimir Vinchon (FRA)

I think I did well today for the whole team, and I really enjoyed it. I also appreciate the connection with my home team — it feels almost like family. Being in Ermelo was fantastic. Now it's time to say goodbye to some of the people when I go home, but I carry their love with me. I hope I can come back one day.

Lucia Krivosudska (SVK)

Today my horse was very kind. There were many highlights, but I don't really know what happened inside of me, I let the horse down today. We still have a lot of work ahead, because there are many things left to do. But I believe that in the end everything will be okay. I truly love the teamwork and the spirit we are building

for the future. Being here in Holland, in places like Harderwijk, feels very special. The people are extremely friendly and good-hearted, and I really enjoy being here.

Laura Kangasniemi (FIN)

First of all, the competition today gave me such a good feeling. I think it might have been my best test ever, and I'm so happy about it. Even though I made my first mistake, I still felt like a princess out there. This was my very first time experiencing something like this, and it touched my heart in a really good way. I'm truly happy to be here, and I hope I can also compete in the freestyle on Sunday.

Alexia Pittier (FRA)
