Julia Sciancalepore (AUT):

Today was very exciting, it was windy, and he was quite fresh. He spooked a few times in the arena, but we handled it well. He was maybe a bit slow in the walk, but I'm happy we did it and that we were allowed to compete here. It was a great experience. It was amazing to ride alongside people from all over Europe and to see all the riders again. Most of them are friends, so that made it even more special.

Clodagh Walsh (IRL):

The test went really well, and we got a great score as well, so I'm super happy. It's a lovely venue to ride in, and my horse really liked it. It's my first championship, and I'm only sixteen years old, so I'm already really happy just to be part of it."

Massimiliano Chiatante (ITA)

This is my first European Championship, because three years ago I had an accident with a horse. This is my first year competing as a para-athlete. The test went very well. For me, it felt like a normal show. The people are fantastic, and the ambiance is professional. I hope that next year I can compete at the World Championships for the Italian team.

Jens Lasse Dokkan (NOR)

I was really satisfied with the test today. I'm happy to still be among the top six in Europe after so many years. The whole competition was really great!

Gabriella Blake (GBR)

I'm a bit disappointed with my test today. He was very cheeky, and I didn't expect that from him. But my halts were pretty good, and I was on time with my music. Freestyle is my favourite thing to do, so I really enjoyed that. This week has definitely been a challenge!
