**Para Dressage Grand Prix Freestyle – Final Grade II**

**Ann Cathrin Lübbe (NOR)**

*I think it was okay. I got a little ahead of my music, so the ending wasn't quite how it normally is, but that's okay. I'm pleased with the horse. I've learned a lot this week and gave my horse a good experience. It's so nice to be here. The most important thing is to keep practising.*

**Félix Gómez Gonzáles (ESP)**

*Unfortunately, today didn't go well. My horse was scared of the camera. But the championship itself was great, nice people, a beautiful arena, and very good organisation.*

**Loes Cevaal (NED)**

*Today went quite okay. He was a bit sharper on the last day than I expected. He was a little spooky about the footing and the cameras at the side. But overall, I'm definitely happy. It was amazing to be part of this, and even more special to experience it in my own country. It was my first time at such a big championship, and we've had a fantastic week together.*
